A Brief Introduction to Bihadi Rural Municipality, Parbat

With the implementation of federalism, when the state was restructured, Bachchha , Barachaur , Ranipani , Wahakithanti, Uram and Saligram Village Development Committee in the southern region of Parbat district merged and were named Bihadi Rural Municipality. The lowest and highest land elevations at sea level are 806 m and 1782 m respectively. The total area of Bihadi Rural Municipality is 44.80 square kilometers. Bihadi Rural Municipality is surrounded by Mahashila and Paiyun Rural Municipality on the East, Baglung and Gulmi districts on the West, Phalewas municipality and Baglung district on the North, and Syangja and Gulmi districts on the South.

According to the national census of 2021, Bihadi Rural Municipality has a population of 10,828 (male: 87.1% and female: 73.1%) , 2,723 households, and a population density of 242.

(source: <https://censusnepal.cbs.gov.np/results/population?province=4&district=45&municipality=6>)

Bihadi Rural Municipality is geographically a hard rock, soft rock, and hilly area. The majority caste is Brahmin, Chhetri and Gurung, followed by Newar, Magar, Thakuri, Biswakarma and Pariyar, Sarki. In terms of language, Nepali is used as the mother tongue. After this, there are Gurung, magar, and Newar. In terms of religion, most people follow the, Hindu religion, Budhhist religion (Source: National Census 2078).

There are 30 community schools and 1 institutional school in the educational field in this rural municipality. The literacy rate of this rural municipality is 79.7% (male: 87.1% and female: 73.1%). Similarly, in the health sector, there is a 10-bed community hospital and 15 bed community hospital under construction; however, the community health post is 6 and the birth clinic center is 6 in the rural municipality. There is under construction the 3 MW Paiyunkhola Hydropower Project at Bihadi Rural Municipality, Ward No. 6. There are no other industrial businesses or factories in the rural municipality apart from normal hotels, shops, and financial institutions. There are few opportunities for employment at the local level. More than 80% of the population depends on agriculture in this rural municipality; if it can be modernized and expanded in the agriculture sector, it will create employment as well as economic and social development in the rural municipality.
